

Ashdale

A modern residential home for adults with learning disabilities and additional needs.

- **Four bedroom home**
- **Learning disabilities and challenging behaviours**
- **Close to local amenities**
- **Active home that takes part in many community-based activities**

Located in the village of Holybourne, on the outskirts of Alton, Ashdale is a four bedroom home that provides comfortable accommodation for adults with learning disabilities.

The spacious accommodation provides four bedrooms; two downstairs and two upstairs, plus a large sitting room, dining room, large kitchen and two bathrooms; one upstairs and one downstairs. It also benefits from a fully enclosed garden to the front and rear of the property in addition to parking for up to four cars.

The home is within walking distance to the local village amenities and within a fifteen minute walk of Alton's main town centre, which offers a wide range of shops, a library, cinema and museums. A sports centre is also located in the town.

The service users at Ashdale attend the local college and are also encouraged to participate in the community-based activities, as organised by the local Adult Continuing Education team (ACE). A vehicle is at the home's disposal for day trips and for transportation to and from activities and college.

Staff members at Ashdale receive ongoing NVQ training to provide service users with the highest quality support and care. This includes Food Hygiene, Adult Protection, Medication, First Aid, Moving and Handling and Health & Safety.
