

Four Nevill Park

Providing care and support for people with learning disabilities and other complex needs.

- Can accommodate up to 21 service users
- For individuals with learning disabilities, Autism, Aspergers Syndrome and other complex needs
- Wide variety of activities available to suit all service user abilities

Four Nevill Park provides specialist care and support services to adults with a learning disability and other complex needs, including Autism and Aspergers Syndrome. The house, which has been tastefully refurbished, offers two three-bed apartments, one five-bed apartment and nine independent self contained apartments.

The self contained apartments are for people who live independently with minimum support. The other apartments offer differing levels of daily support dependent upon individual needs. Four Nevill Park tailors the support needs of each individual to ensure their comfort, health, safety and aspirations are met.

The ethos is to support people to live independently as possible, learning and building daily living skills to a level where they can eventually live in the community.

A wide variety of activities are available to service users, including rock climbing, horse riding, music therapy, arts and crafts, swimming, bowling, communication groups, computer classes, walking picnics, theatre, annual holiday of their choice, shopping, household duties and individual hobbies.

The home is located in a quiet road within walking distance of Royal Tunbridge Wells centre and is serviced with excellent transport facilities. Although close to the town centre, it is also near woodland, fields, lakes and open spaces.

Twenty four hour care is provided by qualified professionals, with individualised training programmes for every staff member to ensure they are competent in all aspects of care.
